

Payment

Ridgecrest Personal Care Services are self-pay. Some services may qualify for coverage through a senior program or long-term care insurance. Clients will be billed twice a month.

If you have further questions about payment, please call us.

Personal Care Services

Helping Patients at Home

As we age, everyday tasks can become more challenging. But that doesn't mean you must give up on living independently in your home. Ridgecrest Regional Hospital's in-home personal care service can help!

Caregivers

We provide compassionate caregivers to assist with daily living activities, helping you stay safe and comfortable in your own home.

Each caregiver is carefully screened with background and drug checks to ensure qualified, caring assistance.

Our Services

Our personalized services are designed to improve your quality of life with thoughtful, reliable support.

- Companionship and socialization
- Bathing, grooming and dressing assistance
- Activity and movement promotion
- Shopping and meal preparation
- Housekeeping services
- Errands
- Medication reminders
- Transportation to appointments (scheduled in advance)
