About

Dr. Arvin Espiritu, MD is a board-certified Family Medicine physician dedicated to compassion, clinical skill, and patient-centered care. He brings valuable experience from both international and U.S. clinical settings.

Drawn to medicine by the meaningful connections between doctors and patients, Dr. Espiritu values the opportunity to make a lasting impact on people from all walks of life.

He earned his Doctor of Medicine (2018) and Bachelor of Science in Clinical Laboratory Science (2013) from the University of Santo Tomas in Manila, Philippines, and completed his Family Medicine residency at WVU Medicine Wheeling Hospital in West Virginia (2022–2025), where he received the Above and Beyond Award (Resident of the Year) in 2025.

Outside his clinical work, Dr. Espiritu enjoys traveling, watching documentaries, and catching up on reality TV.
