About

Hope Wildenberg, MD graduated from Loma Linda Medical School in 1992. Her expertise is in newborns through adults and she specializes in minor procedures ie: lesion removals, circumcisions, suturing and toenail removals.

Dr. Hope completed an internship at the Oakland Naval Hospital. She was the General Medical Officer at China Lake Naval Weapons Center from 1992-1996. From 1996-1998 she completed a Family Practice Residency.

Her hobbies include spending time with family, going on Mission trips, helping youth of the city and scrap booking.
