Information for Patients about
COVID-19 TESTING

- **COVID testing is at the discretion of the RRH provider**, and based on medical evaluation and CDC guidelines.

- **The fee for COVID testing will be in addition to an office visit for medical evaluation**. The cost of the test and visit may be covered under insurance if deemed medically necessary by your insurance provider. Uninsured patients are eligible to seek assistance.

- **PCR COVID testing results may be available witihn 24 hours depending on the lab's capacity**. Longer processing may occur during times with significant increases in tests being performed.

For more information on COVID-19 testing at RRH please visit our dedicated website page at RRH.ORG/COVID19.
